Product Data

With Plum Wound and Eyewash Spray you get immediate and effective care to minor accidents such as cuts and scrapes on the skin or dust and dirt in the eyes. It helps you to minimize the risk of further infection or damage.

It is a portable, easy to use, saline-based and pain-free spray. It works at any angle, providing a balanced flow rate of sterile 0.9 % saline solution, strong enough for washing away clot and foreign bodies from wounds, yet soft enough for washing the eyes.

Ideal for the industrial sector, production industry, laboratories, transport of dangerous goods, first responders, law enforcement, firefighters, military and first rescue services, such as disaster relief.
